

We are looking for a **Child & Adolescent Therapist** to join our team!

WHO WE ARE

Beyond Measure is a team of therapists and dietitians based in Redwood City, CA, dedicated to supporting individuals, couples, and families through personalized outpatient therapy and nutrition counseling. Drawing on evidence-based practices, we tailor our approach to meet the unique needs of each client. Our therapists bring specialized expertise in treating eating disorders and disordered eating, as well as conditions such as anxiety, depression, trauma, OCD, and behavioral challenges. At the heart of our work is a commitment to creating an environment that feels accessible, affirming, and inclusive for everyone—both those seeking care and the professionals providing it.

WHAT WE OFFER

- A multidisciplinary team of colleagues dedicated to providing quality treatment, with whom to collaborate, coordinate, and consult
- A warm, professional work environment designed to retain excellent providers who hope to learn and grow in their role
- Highly competitive compensation (\$60-125/hour for clinical time, determined based on training and experience)
- Paid time for administrative tasks and attending team meetings
- Office space in Redwood City, CA
- A hybrid schedule, including both virtual and in-person time
- Referrals matched to your clinical expertise—we handle all outreach and incoming referrals, including initial scheduling, freeing you up for direct patient care.
- Flexible scheduling
- Weekly team consultation meetings
- 401(k) with match
- Reimbursement for approved continuing education activities
- Liability insurance

WHAT WE ARE LOOKING FOR

- AMFT, ASW, LMFT, LCSW, Psychological Associate, or Psychologist with appropriate registration or licensure to practice in the state of California
- W2 Employee – Part time with increase over time
- Clinical availability adequate to meet the needs of patients (at least 12 hours per week for patient care, including availability in person at least two weekdays after school or one weekday after school and one weekend day)
- Availability to attend weekly case consultation meetings via video (Wednesdays 10:00-11:00am)
- Interest in working in a group practice setting and collaborating with colleagues to promote ongoing learning
- Dedication to providing accessible, inclusive, and culturally sensitive care to patients, as well as fostering this environment within Beyond Measure
- Experience and interest working on, and collaborating with, a multidisciplinary team
- Familiar with HAES/weight inclusive approach and openness to ongoing learning
- Understanding and experience with the legal and ethical issues that arise when working with children and adolescents
- Experience with evidence-based approaches to working with children under 12, as well as adolescents, and families with a variety of mental health concerns

PREFERRED

- Specific training in Parent-Child Interaction Therapy (PCIT), Trauma-Focused Cognitive Behavioral Therapy (TF-CBT), Exposure and Response Prevention (ERP) for OCD, and family therapy
